

## DESCRIPTION

Easy installation  
3-5 seconds quick installation.  
Bricks is a revolutionary change for conventional trunking system linear light.

Material: Aviation aluminum.

CRI > 80

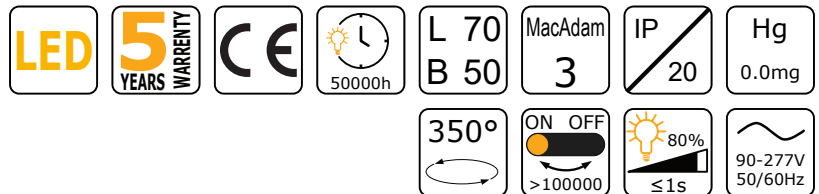

Use standard 3 circuits track for installation

Rotate through 350°  
Tilt through ±60°

Light Efficiency: 130LM/W

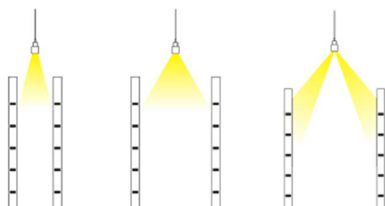

Colors: White/black

Certificates: CE/RoHS

## LIGHTING DISTRIBUTION

Three distribution patterns are available for different application.  
30°/60°/60°/90°/  
Double asymmetric 100°

## AREA OF USE

Display windows, shops and other public places

| TYPE  | A   | B  | C   |
|-------|-----|----|-----|
| 11600 | 422 | 60 | 148 |
| 11601 | 422 | 60 | 148 |

| TYPE        | Light   | LIGHT OUT     | POWER    | COLOR TEMP |
|-------------|---------|---------------|----------|------------|
| 11600 White | 60°/90° | 3900-7800* lm | 30-60* W | 3/4000 K   |
| 11601 Black | 60°/90° | 3900-7800* lm | 30-60* W | 3/4000 K   |
| 11621 Black | 60°/90° | 7020 lm       | 54 W     | 4000 K     |
| 11623 Black | 60°/90° | 7020 lm       | 54 W     | Bakery     |
| 11625 Black | 60°/90° | 7020 lm       | 54 W     | Fruit      |
| 11629 Black | 30°/60° | 7020 lm       | 54 W     | Meat       |
| 11631 Black | 60°/90° | 7020 lm       | 54 W     | Meat       |

\* Watt AND Kelvin change dip-switch
